COLLEGE OF ENGINEERING & COMPUTER SCIENCE

CAPTURE Program Commitment Letter

I, Dalton McClain, agree to attend Florida Atlantic University, and enroll in either the
Print Name

Bachelor of Science in Computer Engineering (BSCE) degree program or the Bachelor of Science in Computer Science (BSCS) degree program as one of the following (check the one that applies) :

- ☒ a transfer student from Broward College with an Associate of Arts (AA) or an Associate of Science (AS) degree with 60 credits of approved coursework;
- ☐ a transfer student from Palm Beach State College with an Associate of Arts (AA) or an Associate of Science (AS) degree with 60 credits of approved coursework;

If I am selected to receive a CAPTURE program scholarship I understand that I must fulfill the requirements of the scholarship and meet the criteria each semester in order to renew the scholarship.

Note: students will be responsible for returning scholarship funds if they decide to withdraw from the program before completing their degree program.
